

Tired of having to log on to b3ta in order to whinge about the image challenge?

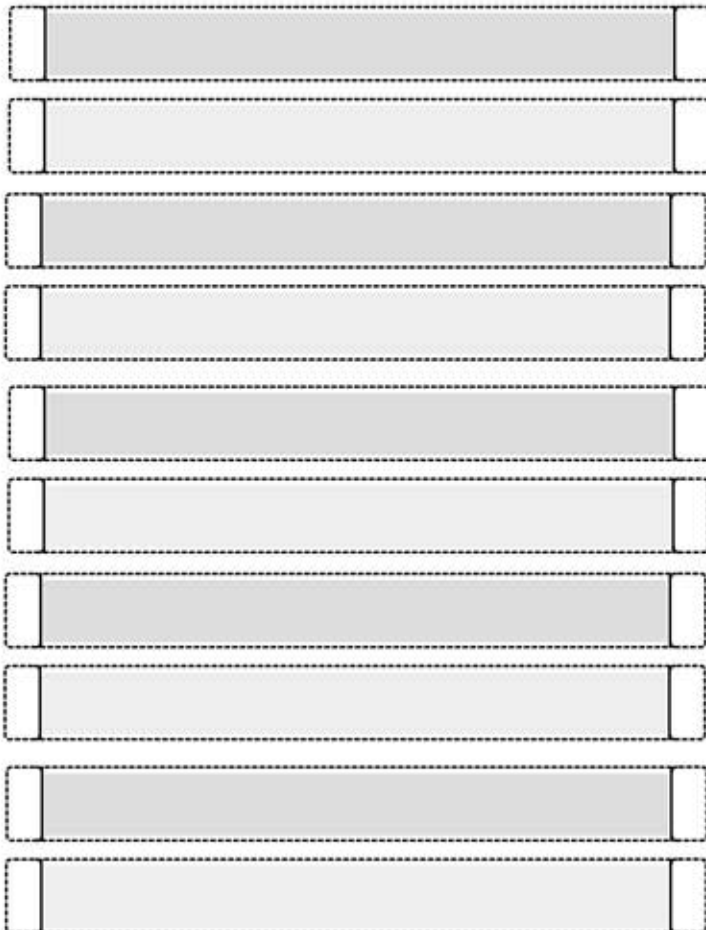

Whinge offline with this cut out and keep kit!

Monitor

Stand

Game slips

1. Cut out monitor, stand and post slips along dotted lines.

2. Fold the stand along the flaps and central lines.

3. Glue flaps to back of monitor so that stand supports monitor

4. Cut dotted lines on the left and right sides of the screen.

5. Use the post slips to write some whinging post about how the challenge is rubbish and they never pick your suggestion.

6. Slide post into monitor and fold flaps around the back

7. Sit smugly. You sure told them!
